### **Jericho Fan Table Comic-Con Recap**

We had the most incredible year with lots of attention, but no real news. You can read our wrap up report here:  
[http://www.savingjericho.com/pdf/\\_vti\\_cnf/Comic-Con%202016%20Wrap%20Up.pdf](http://www.savingjericho.com/pdf/_vti_cnf/Comic-Con%202016%20Wrap%20Up.pdf)

Byron's article (this article came out Friday of Comic-Con):  
<http://viralhare.com/cbs-access-perfect-relaunched-jericho-tv-series/>

After the con, we received hints that the expected Jericho announcement was postponed, since CBS All Access wanted all the attention on the new Star Trek series (Star Trek's 50th anniversary is this year). Our insider, Byron, has told us, it is a matter of "when, not if" there is a Jericho continuation on All Access.

Jericho's numbers were enough for Netflix, so of course All Access is interested in Jericho!

We've also received some hints that noise is being made about the 10th anniversary of Jericho's airdate (9/20).

Byron is working on some articles and the Save Jericho! Facebook page also has some plans for a celebration!

## **Special 10th Anniversary Radio Show**

Mark from the Matty P Radio Show is working with us to create a very special show about our beloved Jericho. He will be interviewing fan leaders and we are hoping to arrange for some of the cast members to be interviewed.

This will NOT be a live show, each interview will be recorded in advance and then Mark crafts the show from all the recordings.

It should be released around Sept 20th and we will send out details about how to listen to this very special show.

## **New Facebook Group - Jericho on All Access**

I wanted a place where we could speculate about what will happen to Jericho, once we get on the All Access schedule. Talk about what we hope to see and maybe make a suggestion or two to the creative team.

All fans are welcome, but this is a moderated group and continued negativity will be frowned upon.
