### **Byron's Novella**

Byron (our insider blogger) has written a Kindle e-book, called Claws in the Dark: The Legend of Coldcopper Mine A Novella (The Dark West Book 1).

Set in the old West, someone or something has been brutally killing the citizens of the town of Abandon, something that lives in the old abandoned Coldcopper silver mine. I'm a history buff and I thoroughly enjoyed reading it. Not too gory, but suspenseful and mysterious - Gwen.

You can purchase the novella for 99 cents at: <https://www.amazon.com/dp/B01KX4E6KC>

- The Last Ship (TNT) has been renewed for two years for season 4 & 5.
