Comic Con Wrap-Up

Although we were hoping for an announcement at Comic Con, that did not happen. In hindsight, it became apparant that we will not hear anything until AFTER Lennie James' appearance on The Walking Dead.

As the Comic Con trailer (see below for link) clearly shows, Lennie's character Morgan is involved in a leadership battle with Rick. The Walking Dead is the most watched cable show and is very high on secrecy. Lennie's episodes start in October, which is also when his public appearances seem to stop. I've always thought that Lennie's appearance on TWD is cross-promotional and that Jericho will benefit. We will just have to wait and see what happens.
