

Jerry "Lee" Frazier
Raleigh, NC
Passed Away on 12/6/12

When I got involved with Jericho back in 2007 I never thought that I would meet anyone face to face. The old CBS Board days are now 6 years behind us but along the way, I had the pleasure of meeting some of the folks who posted there and on the UHD Board.

One of those Rangers was Lee Frazier, a kind soft-spoken man from North Carolina.

I met him at the Ranger gathering in Baltimore in 2009 and again in Boston, MA in 2010. We spoke on the phone or by email on a regular basis. At the Boston gathering, they held a mini auction of Jericho items. Lee used the proceeds to make a donation to an organization that helped blind and deaf individuals get out of the house so they could have a better quality of life.

He was a true Ranger and a gentle spirit. He was a real cheerleader for Jericho and was a friend to many in the Jericho Community.

His signature line was Sempe Fi, which is short for Semper Fidelis-always faithful. The creed of the US Marine Corps. It fit Lee and his passion for Jericho and his many friends he met through Jericho.

I feel blessed that I had the opportunity to meet Lee. I will miss my friend. May he rest in Peace.

We wanted to pay tribute to Lee, by reprinting his letter that appeared in Issue #3 of the Jericho Season 3 comic:

"When asked by someone what I am passionate about . . . I say that I am passionate about my faith, my family AND Jericho - that usually starts a conversation. Never before has a show touched me as JERICHO has . . . and probably will never again. The passion continues with the comic. When I read it I can actually visualize this happening on TV - the continuation of the story gives me more joy than many of you will ever know. The guys on the boards are always teasing me when I say this, but I will say it again - I love you guys ALL OF YOU; I really do. As Always - Semper Fi

Lee"

We love you too Lee! Semper Fi
